

MT ALBERT BRIDGE CLUB

CASHLESS PAYMENTS SYSTEM

We have a cashless payment system at our club to make playing bridge at club and online sessions simple and easy. You simply deposit the nominated amount into our bank account (see below). This will be credited to your account and each time you play either online or at the club, the cost for playing will be deducted from your cashless account.

DO I GET ANY EMAILS FROM MT ALBERT BRIDGE CLUB CASHLESS PAYMENT SYSTEM?

You should get an email each month letting you know your account balance. That way you can assess if you have enough to cover your sessions for the following month. You can top up your balance any time by paying money in the Mt Albert Bridge Club's bank account:

Account Name: Mount Albert Contract Bridge Club Inc

Account Number: 02-0144-0049137-00

Particulars: [Your Name]

Code: [Your Computer Number]

Reference: [RealBridge]

WHAT HAPPENS IF I FORGET TO DEPOSIT MONEY INTO MY CASHLESS PAYMENT ACCOUNT AND THERE IS NO MONEY TO COVER A SESSION?

If you've forgotten to top-up your account, you can still play and your account will go into overdraft. You'll receive an email at the end of the month advising you of your account balance. Please lodge funds immediately to put your account back into credit.

WHAT HAPPENS IF I CAN'T PLAY ANYMORE AND MY CASHLESS PAYMENT ACCOUNT HAS FUNDS IN IT?

If you decide to opt out of using your online Cashless Payment account, you must advise the Treasurer (mtalbertbridgeclub@gmail.com). They will remove you from the system and any money owed to you will be refunded within 14 days.
